FORWARD

Kelmscott and Kenwick meet today to decide Maddington's grand final opponent for 1976.

Neither side has come up to expectations in the finals so far but with their football lives depending on the outcome, today's clash is sure to be a spirited one.

Kenwick were unconvincing winners of the first semi-final against Gosnells and Kelmscott were disappointing losers to Maddington in the second semi-final.

The game is certain to be a close one but Kenwick's ruck strength could again be the telling factor.

The knock ruckmen performed well in the first semi-final but failed to receive the normal degree of support from rovers, Alf Stal and Geoff Truscott. An improved performance from these two and their centreline players should provide the opportunities they will need to kick a winning score.

Kelmscott's demise last week was brought about largely by the eclipse of centreman, Paul Vasoli and Ruckman, Brian Andrijich.

It was obvious that without these two firing the Bulldogs are unable to create scoring opportunities. Rovers, Bill Woodhams and Andy McIntosh, were starved of opportunities and their usual accurate footpassing into the forward area was also missing.

If Kelmscott can't develop some system early in today's game their forwards will again be on "Mission Impossible" trying to kick goals. The Kenwick defence led by Kevin Wilson at centre

half back, has been in good form and haphazard forward play will make their task easy.

If Kelmscott do have a chance of winning, it lies with Vasoli, woodhams and McIntosh.

It will be up to these three players to take the initiative away from their Kenwick counterparts and deliver the ball long into the goal square to give Paul Hansen the opportunity of capitalising on his height.

However, Kelmscott again look too dependent on too few which restricts their versatility and the "Wicks" should survive to fight the final battle.

UMPIRES

While the coaches of all sides expect their players to produce a little more during the finals, so too does the Umpires' Advisor. And he must be well pleased with the performances of his charge so far.

Les Ayres gave a polished display in the first semi-final and he was followed by two impressive performances last Sunday — firstly by Graeme Fogarty in the Reserves second semi-final and then by Graeme Zanich in the League game. With Rod Hurley still waiting his chance, competition for the whistle in the two grand finals is keen.

Zanich and Fogarty are pictured after last Sunday's games.

TALK OF BULL

Last weekend was a very satisfactory one for our club; the only blemish being the defeat of our Seconds side. The under 14's won the Grand Final in fine style and congratulations must go to their coach Danny Grogan, their manager Laurie Boyle and to the boys on a job well done.

The under 18's also won the 1976 pennant with a sound display of team football. Congratulations to Jim Cominelli for notching his second successive coaching victory with the boys and also to Trevor Wilson (Manager) for his invaluable support during the year. A great effort all round and we look forward to some new recruits for the senior side next season.

A much more constructive and polished display of teamwork (plus a bit more determination) saw the League side advance into the Grand Final. Last time against Kelmscott we fell down across the half forward and centre lines and on the ball. This time these divisions were our strength. Trevor Tregear's return appeared to lift the side tremendously; he featured in many of our forward moves and played a great game overall, considering his six

week absence, from the side.

Best players were Barry Stockden (best game this year), Dennis Cometti, Colin Tincknell (courageous and hard working), Rod Mohr (the General — he totally eclipsed his opponent) and Graeme Mason. According to one of our Life Members this was the first time we had ever won a League Second Semi Final. If anyone can provide evidence to the contrary, Barry Devereux would be most interested to hear it.

Our Seconds side gave their most inept display of the season last week. Gosnells has everything to gain, nothing to lose and I feel will be difficult to beat. However our players can perform 100% better than they did last Sunday and trust they will do so today. Best players were Allen Bank, Doug Bushell, Captain Rooster and Mark Schmook.

Congratulations to Beth and Bruce Clarke on the recent arrival of their daughter (Megan Judith).

THE HAWKS

Members and supporters can look forward to an exciting and spectacular battle of the giants today when our Reserves team meet Maddington in the Preliminary Final. Our fellows are keen to demonstrate their superior talent and ability against Maddington, the only team they haven't beaten all year, to ensure the club of being represented in the grand finals.

We wish Norm and his team of extremely dedicated footballers, every success today and everyone will be out to support the team today and through to the grand final.

Congratulations for a wonderful season to our Under Sixteens and Under Fourteens who took off Premiership titles last week. Also our Under Elevens and Twelves put up a most creditable performance when they were narrowly defeated in their respective grand finals.

SOCIAL:

Many thanks to players, members and supporters for your attendance at last Saturday evening's fund raising function for the benefit of an injured players fund. Although the function was highly successful it was never the less disappointing to see so few attend the most worthwhile cause.

We remind you all to make your bookings for the club's Annual Windup and Presentation of

trophies night being held at Cannington Greyhound Raceway on October 15. A booking reservation board has been placed in the clubrooms to reserve your requirements at this function. Tickets for only \$20 a double can be obtained from Frank Sochacki, Colin Reynolds and Keith Davis.

The Under 18's Windup is to be held at the Percy Garrett Clubrooms on Saturday September 18. Tickets for \$5 a double are available from Keith Davis, so please advise Keith or any of the committee of your requirements. I'm sure the players would be proud to have their parents along at their well earned windup.

H.H.

THE BULLDOGS

Inaccuracy in shooting for goal cost Kelmscott the game against Maddington last Sunday. The Bulls literally won the event in the first term when they opened up a 6 goal lead. In the remaining 3 quarters Kelmscott had 25 scoring opportunities to Maddington's 14 — Due credit to the pressure applied by Maddington's backline.

Best players for Kelmscott were B. Andrijich Phil Farmer, Glen Mezger and Barry Miles.

The committee and supporters take this opportunity to congratulate all the junior sides on their efforts this season. The 18's 14's, 12's and 11's all made the four.

Unfortunately none of these teams won a flag but we commend the coaches, managers and players on a great effort.

The highlight of our junior season was the fact that Paul Bennett won the association Fairest and Best in the 10's. Wayne Gorton 3rd in the 11's, Murray Phillips 2nd in the 12's, Craig Brierty won the 14's, Mark Triplett won the 16's and Greig Dunne 3rd in the 18's.

MIGHTY ROYALS

Producing four excellent quarters of football, The Royals gave the Bulls a preview of what is in store for the side that plays them in the Grand Final. With direct kicking, good use of handball and a greater will to win the Kenwick side took control of a game that was of a high standard. The inclusion into the ruck of John Eddy was a winner, particularly in the first term where his high marking and intelligent play was a feature of the game. Our forward line was extremely effective, where Wayne Hill (his first three kicks were all goals) and Mike Strang combined brilliantly. The day was made for high marking and Alan Earnshaw and Wayne Hill provided the crowd with some fine displays of aerial magic. The loss of Alan Beatty early in the first quarter was a real blow to the side, but the team rallied and their aggression for the ball intensified. Up till half time the Royals had allowed only two goals to Maddington and this was due to some great play by John Hart, Mick Cornwall and John Oliver. Our rucks in Darryl Ogg, Jeff Holbrook and Arthur Mills worked hard all day and with a solid centre line, (Nick Catalano and Tom Quinn use of the ball into the forward area was sure and direct) reaping the benefits the Mighty Blue and Blacks won a well deserved victory and the right to contend for the 1976 Premiership Flag.

We again travel to Gosnells this week to support our League Side in their confrontation with Kelmscott. After our poor game in the first semi-final the players will be out to redeem themselves and the encounter with the Bulldogs should be worth travelling along way to see.

On Wednesday night the counting for the Club's Fairest and Best was held with the results being: — John Risely (League) and Ken Staines (Seconds). Congratulations to the players and to all who polled so well.
